

Tax Debt Resolution

If you have tax debt, there are options to deal with the IRS yourself – but it’s not easy. Hiring a licensed tax professional service can help you reach a better resolution quicker, easier, and with less stress.

A Team of Licensed Tax Professionals

VS.

On Your Own

Will call the IRS for you

Waiting on hold and all.

IRS Phone Calls

You'll have to do the waiting

Sometimes 30 minutes or more per call.

Will negotiate on your behalf

To find you the best resolution plan.

IRS Payment Expertise

You may not know all your options

And the IRS won't give advice.

Understands IRS time frames and deadlines

So everything is addressed on time.

Time Sensitivity

You'll feel like everything needs to happen immediately

Which can cause you more anxiety in the long run.

Knows what the IRS needs

To file what's needed, when it's needed.

Documentation

You'll need to know what to file and when

And keep your own detailed records.

Is well-versed in your rights

So you don't unnecessarily disclose your financial information.

Information Disclosure

You might over-disclose information

There are things the IRS doesn't need to know.
